In this department the principles are taught as at the Leland Powers School
of the spoken word, Boston, Mass.

We cordially recommend the Normal University Public School Music Department to those who are interested in Public School Music Methods.

Our Fine Arts Department will be under the care of Mrs. May Barrass who taught here for a number of years. Miss Isabelle Sandmayer, Assistant.

We cordially welcome any one who are interested in the above branches and wish to assure our many friends of our appreciation of their loyalty and interest in the success of this institution and our future endeavor will be to make this school efficient and worth while.
